## **Free Presentation and Training!**

- How can I make a call when I can't hear and have trouble seeing?
- My mother can't hear me on the phone, why should I call her?
- How can I call my friend when I can't hear her?

## ***You Can!***

### **...With the Captioned Telephone and Sprint WebCapTel**

The Captioned Telephone (CapTel) displays written, word-for-word captions allowing you to see and hear the conversation!

Read AND hear your conversation on the phone with the convenience of the internet! Sprint's WebCapTel is a free web-based service that allows individuals to utilize their computer, internet connection and any telephone to receive captions of their conversations while speaking directly to their caller.
